Website: www.donsavageauctions.com
Email: don@donsavageauctions.com

Welcome to the Battle River 4th Annual Shorthorn Bull & Female Sale. A very progressive group of Shorthorn breeders have joined together to showcase an excellent representation of what this breed can offer the beef industry. Both purebred and commercial breeders alike will be impressed with the quality of genetics on offer.

There will be an awesome set of 2-year-old bulls, breed leading yearling bulls and a select set of open purebred yearling heifers that will fit into any program. With a very solid foundation there is not a better time to add the genetics that can offer you performance, carcass traits, calving ease and maternal traits. These added genetic traits will facilitate your ability to receive top dollars for your calves at weaning. You can buy with confidence knowing you are receiving the best of each program.

If you have any questions please feel free to contact any of the consignors, Ken Hehr, Kirk Seaborn or myself. If you are interested in adding these great genetics into your herd but are unable to attend the sale please contact any of the sale staff or Don Savage Auctions and your order will be handled in a professional manner.

Yours truly,
Don Savage

SILVERWILLOW F ROCKY 29P X

Consignor: **LANGCO ENTERPRISES** ~ Viking, AB
Silverwillow Trans Joey 6Y is our champion bull from Stockade. If you liked our leadoff bull at last year's sale you're going to love this guy! Solid red, polled, and thick, we think he has a lot of potential to do good things for any program he goes to. Just like all the Transformer sons he has a super disposition, solid feet and lots of muscle shape, all with a moderate frame size.

This bull's sire was the Alberta High Point Shorthorn Bull for the 3 years that he was eligible to show. Walter was the high selling bull in the 2011 All Star Classic Shorthorn Sale. Walter is a very incredible bull that consistently passes his genetics on to his offspring. Master's dam is an older cow that has a top calf every year.

This bull was used on heifers last year. He will go out and get the job done.

When analyzing Nordegg 7Z's performance profile we would call him a curve bender but when considering the production record of his dam he would be considered predictable. In her eight years of production Maria 48N has given us 5 heifers and 3 bulls, all eight calves have had an average adjusted birth weight of 84 lbs and an adjusted weaning weight average of 680lbs.

This is your chance to own a full ET brother to Crooked Post Grissom 24T. Grissom continues to leave his mark in numerous top herds around the globe. At this point our domestic semen inventory is nearly gone, and we can no longer fulfill our Grissom semen requests in Canada / USA. We present today one heck of a young bull and an opportunity to continue this genetic line upwards and onwards. Samson 21Z has tremendous EPDs, desirable phenotype and from a tremendous cow and highly proven line.

Selling full possession and 1/2 semen rights.

Consignor: **CROOKED POST SHORTHORNS** ~ Rocky Mountain House, AB
Consistent with the history of his pedigree, Exclusive 24Z is a rugged constructed bull from a first calved Grissom daughter. We have found our JT Exclusive to be a hands-free calving sire whose progeny express undeniable growth power to 205 and on to 365 day, his son's are masculine and bold and his daughters are stylish with a lot of substance. 24Z's dam, Minnie 11W, is the most powerful Grissom daughter that we have in production, she lands in the top 1% of the breed for all growth trait predictors and she is still in the top 4% of the breed for calving ease and dollar Value Index Indexes.

Lot 15 - Crooked Post Exclusive 24Z

We selected two Downsview heifers at the 2011 West Country Sale; they were from the same cow family but from different sires. We admired each of them individually and especially took note of how similar they both were to one another in their consistency. We offer their first heifer calves and as you can see they are very alike - moderate framed, fleshy and sound made.

I have admired Minnie 59Z from the start, a dark red, thick hair coat with nothing to hide underneath, she's classy made with serious performance.

~ Thanks to All Buyers & Bidders ~

Sale Notes

Bull Breeding Guarantee

All guarantees are between the buyer and the seller.

All bulls offered and sold, except calves at side, are guaranteed breeders irrespective of age. All bulls after reaching the age of 15 months must be capable of settling 7 head or 75% of the eligible normal healthy breeding age females he is running with for a 90 day period, whichever is the lesser.

No guarantee regarding the freezing ability of a bull's semen is made or implied in the sale of a bull unless covered specifically in a written contract.

In the case of a complaint regarding a bull's breeding guarantee the buyer wishes to enforce the provisions of the Code shall report the same in writing to the seller enclosing a report prepared by a licensed veterinarian within 6 months of purchase or the time the bull reaches the age of 15 months whichever occurs later. The bull shall be returned to the seller at the buyer's expense. The seller may replace the bull with a bull of equal quality or refund the purchaser's price of the bull or he may attempt to prove the bull a breeder under the terms of this clause within 6 months. If the bull is proven to be a breeder within the 6 months provided he shall be returned by the seller to the buyer and the buyer's expense. If he is not proven to be a breeder then replacement or at the option of a seller a refund is mandatory. Under no circumstances will a seller be liable for more than the purchase price of the animal sold.
