Welcome to the Battle River 5th Annual Shorthorn Bull Sale. A very progressive group of Shorthorn breeders have joined together to showcase an excellent representation of what this breed can offer the beef industry. Both purebred and commercial breeders alike will be impressed with the quality of genetics on offer.

There will be an awesome set of 2-year-old bulls and breed leading yearling bulls that will fit into any program. With a very solid foundation there is not a better time to add the genetics that can offer you performance, carcass traits, calving ease and maternal traits. These added genetic traits will facilitate your ability to receive top dollars for your calves at weaning. You can buy with confidence knowing you are receiving the best of each program.

If you have any questions please feel free to contact any of the consignors, Ken Hehr, Kirk Seaborn or myself. If you are interested in adding these great genetics into your herd but are unable to attend the sale please contact any of the sale staff or Don Savage Auctions and your order will be handled in a professional manner.

Yours truly,
Don Savage

Two-Year-Old Bulls

Lot 1 - Silverwillow Trans Spartan 3Z

1

Polled Red White **SILVERWILLOW TRANS SPARTAN 3Z**

April 12, 2012 CEL 3Z X-*20000

LEHNE TRANSFORMER 8T X-*16189

ALTA CEDAR ULTIMATE 130K
LEHNE SHEBA 8M X

SILVERWILLOW F SPARROW 27N X-F678685

BUFFALO LAKE FESTUS 9L X
MURIDALE SPARROW 54J X

BW: 95 Jan 1/14 Wt: 1840

Consignor: **LANGCO ENTERPRISES** - Viking, AB

Spartan 3Z is a full brother to our high seller 2 years ago to Remount Ranch. This big red bull puts the scale down. His dam has had past high sellers and is dads old show cow. Cross this guy on some Charolais cows and get some huge buckskins next year.

Lot 2 - Silverwillow Trans Chiefton 8Z

2

Polled Red White **SILVERWILLOW TRANS CHIEFTON 8Z**

April 14, 2012 CEL 8Z X-*20005

LEHNE TRANSFORMER 8T X-*16189

ALTA CEDAR ULTIMATE 130K
LEHNE SHEBA 8M X

SILVERWILLOW MONTY CORRINE 37S

DR MONTY 9N X
SILVERWILLOW F S CORRINE 12N X

BW: 98 Jan 1/14 Wt: 1750

Consignor: **LANGCO ENTERPRISES** - Viking, AB

Chiefton is a bull we really think highly of. This big performance bull is out of probably our top cow - 37S. Built like a tank, this roan cow has a very good udder and lots of milk. The Corrine family consistently produces the good ones and this guy is no exception.

Lot 3 - Silverwillow Trans Zimba 20Z

3

Polled Red White **SILVERWILLOW TRANS ZIMBA 20Z**

April 12, 2012 CEL 20Z X-*20007

LEHNE TRANSFORMER 8T X-*16189

ALTA CEDAR ULTIMATE 130K
LEHNE SHEBA 8M X

SILVERWILLOW MONTY ZELDA 22T X-F684471

DR MONTY 9N X-M471741
SILVERWILLOW F ZELDA 33P X

BW: 95

Consignor: **LANGCO ENTERPRISES** - Viking, AB

Trans Zimba is a more moderate framed bull with lots of bone and natural muscle. This guy should have lots of friends sale day.

TAMARACK ZAK 12Z

May 11, 2012 SLJ 12Z X-M476762

KENLENE UNIQUE 3U X-M473609 KENLENE COOL HAND 2R X
 BRAEBANK DEWDROP 35N X

CHINOOK POLLY 4P X-F679785 CHINOOK BUD 7M X
 CHINOOK APRIL 35J X

BW: 80 WW: 625

Consignor: **TAMARACK SHORTHORNS** - Brownvale, AB
 Zak 12Z's dam, Chinook Polly 4S from the Neil's in BC, has earned herself top ranks in the Tamarack herd over the last decade. He is a solid long yearling that will get out and cover a good number of cows and is a great heifer bull candidate too.

Lot 5 - Tamarack Zak 12Z

6

Polled Red White

TAMARACK ZORRO 22Z

June 4, 2012 SLJ 22Z X-M476763

KENLENE UNIQUE 3U X-M473609 KENLENE COOL HAND 2R X

When we evaluate his figures it's easy to realize how unique this young bull is. Very few, if any, express such dominance in so many breeding traits among the N. American performance recorded Shorthorn population. Through the 10 basic measured values from Calving Ease, BW, Growth Traits Maternal Traits and \$ Value Traits you will find Crooked Post Sawyer ranked above the top 5% of the breed.

Crooked Post Red Rose 11P has done it again. The dam of such bulls as Samson, Arbutus, Grissom, Sawyer and several females retained at Crooked Post. 9 years of production; 8 calves, 1 year embryo flushing, average calving interval of 358 days and an average weaning weight of 803 lbs. each year. Sawyer 1A also has a full sister in Manitoba at Hargrave Shorthorns, ask them how they like her!

Consignor: **CROOKED POST SHORTHORNS** - Rocky Mountain House, AB
Attractive in his design, out of a first calved heifer from Hespero Bank, he's a sure bet on heifers and cows. Crooked Post Grissom sons have averaged over \$7000 in Australia at production sales of the largest performance recording Shorthorn herds in the world; The Grove and Manchee Ag. 2 yr. old Laureano Cumbria (pictured) is the current Expo Prado Champion bull bred by Dr. Mario Damboriarena of Uruguay, sired by Grissom.

Crooked Post Pueblo 9A has impressed many this last year. He's full of red meat, is three dimensional with loads of capacity, big nuts, tight sheathed. Structurally sound, free striding animal that is a pleasure to watch on the move.

His dam, Crooked Post Maria 1R, is as dependable as they come. In her seven years of production she's weaned 7 calves, with an average calving interval of 363 days and weaning weight average of 701 lbs. each year.

His dam is sired by Crooked Post Triple A 8K, a bull that we sold to Semex over a decade ago for worldwide semen distribution, many of his daughters are still going strong past 10-12 year. Exclusive 18A will make a great female replacement sire with strong maternal characteristics and with sound structure to help enable years of profitable production in himself and his progeny.

What a bull! His dam is our great Crooked Post Hope 8T, we grossed \$14000 from her live progeny in 2011 alone and this 2013 bull calf could be her finest yet. Among the many qualities and traits that we are mindful of, fertility and growth are huge. We can tell you how productive these momma cows are and that our bulls will sire daughters that will bring home a heavy calf every fall AND we can show you that they can. Hope 8T has been in production for 5 seasons (5 calves), has maintained an average calving interval of 364 days and has weaned off, on average, 698 lbs. each year.

Consignor: **BRANDIE MCMEEKIN** - Rocky Mountain House, AB
He ranks in the top 10% of the breed for Calving Ease, Weaning, Yearling, Milk, Maternal Weight and Maternal Calving Ease. His sons will push the scale down in the fall and his daughters will be replacement treasures.

Lot 36 - Arbutus Magnus 34A

Sale Notes

Bull Breeding Guarantee

All guarantees are between the buyer and the seller.

All bulls offered and sold, except calves at side, are guaranteed breeders irrespective of age. All bulls after reaching the age of 15 months must be capable of settling 7 head or 75% of the eligible normal healthy breeding age females he is running with for a 90 day period, whichever is the lesser.

No guarantee regarding the freezing ability of a bull's semen is made or implied in the sale of a bull unless covered specifically in a written contract.

In the case of a complaint regarding a bull's breeding guarantee the buyer wishes to enforce the provisions of the Code shall report the same in writing to the seller enclosing a report prepared by a licensed veterinarian within 6 months of purchase or the time the bull reaches the age of 15 months whichever occurs later. The bull shall be returned to the seller at the buyer's expense. The seller may replace the bull with a bull of equal quality or refund the purchaser's price of the bull or he may attempt to prove the bull a breeder under the terms of this clause within 6 months. If the bull is proven to be a breeder within the 6 months provided he shall be returned by the seller to the buyer and the buyer's expense. If he is not proven to be a breeder then replacement or at the option of a seller a refund is mandatory. Under no circumstances will a seller be liable for more than the purchase price of the animal sold.
