Welcome to the 2010 Canadian National Gelbvieh Show & Sale

The Canadian National Gelbvieh Sale combined with the mystic that the Canadian Western Agribition has created compounds the aura that this North America's longest running Gelbvieh Sale has to offer the industry. The Gelbvieh breed has grown to become one of the most respected genetic bases in the beef industry. There are many individuals in the 37 years that have assisted in building Gelbvieh and the consignors to this year's sale have opened their herds for selection. They are ones that will definitely make their footprint to the future with their genetic base, helping the Gelbvieh breed to continue to capture its genetic share of the Canadian beef industry.

The 2010 Canadian National Sale offers a wide genetic base both in red and black seed stock that will expand the popularity of the breed. You will be impressed with all categories in the sale: the bred heifers and the calendar year heifer calves. We are pleased to be offering the "pick of the herd" from Severtson Land & Cattle - what a tremendous opportunity. We are also pleased to welcome Prairie Hills Gelbvieh from North Dakota to this year's sale. I am sure this is a "first" to have an American consignor at Agribition.

The Canadian National Show and Sale is definitely a Gelbvieh event that you cannot afford to miss. You will see the best that Gelbvieh has to offer. I am looking forward to seeing all Gelbvieh enthusiasts at Agribition.

*Yours truly,
Don Savage*

The Sweetheart Gelbvieh Classic ♥

The Man-Sask Gelbvieh Association is pleased to present the 12th Sweetheart Gelbvieh Classic, a people's choice female futurity to be part of the Canadian Western Agribition Gelbvieh Show in November 2010.

The Sweetheart Classic is open to any age of Gelbvieh Female entered in the regular Canadian Western Agribition Gelbvieh Show. There will be two bred females and two open heifer calves in the final. Futurity members may enter their females up to the day before the show. The futurity entry fee is \$100.00 per head with maximum of two (2) entries per membership.

Memberships to the futurity will be sold for \$300.00 which entitles the member to judge (one ballot) the Sweetheart Classic and to receive a limited edition jacket. Members will also be entered into a draw to win the proceeds from the sale of the Sweetheart Classic Champion. Members must be present to vote. No proxy vote allowed.

The people's choice judging of the Sweetheart Classic will take place immediately following the Gelbvieh Bull Show. The Female Gelbvieh Show will commence upon the completion of this portion of the futurity. At the end of the Gelbvieh Female Show, the top four (4) females as selected by the futurity members will be announced in random order. The following day at the CANADIAN WESTERN AGRIBITION SALE, the final four (4) Sweetheart finalists will be judged during the Presale reception. The Sweetheart Classic Champion will be announced and then auctioned off as the Feature Lot.

Consignor: Towerview Ranch - Medicine Hat, AB

P/E April 20 to June 25, 2010 to STON Black Panther 11W

TVR Wadena 12W is a very thick, feminine outstanding daughter of the great SLC Latigo sire and out of a top producing awesome dam purchased from Anchor Ridge. Her service sire, STON Black Panther, was the high selling bull at the 2010 Saskatoon Gelbvieh Bull Sale. You will definitely appreciate his style and exceptional EPDs. This extraordinary female could headline your breeding program.

Consignor: Aaron Birch - Lomond, AB

P/E May 9 to July 8, 2010 to FRL Fir River Exposure 8U ET

AWB Birch's Disco 92W is a deep sided female that comes from many generations of 4-H and show heifers. This cow family consistently produces moderate framed females. 92W is sired by the high selling bull at the V & V Farms 2008 Bull Sale and bred to the high selling bull at the 2009 Saskatoon Gelbvieh Bull Sale. Both are easy calving sires, siring high performance progeny in the Birch's program.

EV Dandy Lady 15X is one that is very hard to put on the block. Lady exemplifies what EV Gem Dandy 72T can do with his heifers; plenty of flank, depth, length and growth put together in a balanced package. Her dam is a Top Brass daughter that also goes back to Keriglen Liza Jane on the bottom side. This easy fleshing sweetheart should be an awesome producer of the "right kind".

 As a first time consignor to the Canadian National Gelbvieh Sale, we wanted to bring a heifer that would best showcase our program - PHG Heart Breaker X60 is truly that female! This non-diluter February heifer combines two of our strongest pedigrees. Fighting Irish has left an excellent group of females in our herd who continue to put calves on the ground that grab attention. Her sire - Top Shelf - is out of one of our most consistent females who also raised Womanizer, and Trifecta - both who will be in our stall at Agribition. If you're looking for a female that combines proven genetics, excellent EPDs, an outcross pedigree, and a great phenotype - look no further than PHG Heart Breaker X60!

PICK OF THE HERD

Consignor: Severtson Land & Cattle - Innisfail, AB

This is a tremendous opportunity that does not come along very often in the Gelbvieh breed. The final bidder has the chance to make his selection from any of the females in the Severtson Land & Cattle program including the donor females. You will be selecting from the outstanding red and black females that are past National Champions who have gone on to become some of the great dams of the industry. The choice is yours (which is to be made by January 2011).
