*Shorthorn Bull
& Female Sale*

*Sponsored by the Alberta
Shorthorn Association*

Saturday, April 7, 2018

1 pm MDT at the Innisfail Auction Mart, Innisfail, Alberta

108 Flett Drive, Airdrie, Alberta T4B 1N2
 Phone: 403/948-3520 Fax: 403/948-2917
 Website: www.donsavageauctions.com
 Email: don@donsavageauctions.com

Welcome to the 3rd Cowman's Advantage Shorthorn Bull & Female Sale. Thank you to the breeders that have consigned from the top end of their bull pens to ensure the success of the sale. We have lower numbers this year but the quality of the offering is second to none. Thank you to Tom Barto for his assistance and input into the sale.

This offering of Shorthorn genetics will be very diverse, magnifying the great strengths of the Shorthorn breed.

The sale will consist of top quality two year old bulls, herd sire calibre yearling bulls and an exciting group of commercial open Shorthorn heifers. They are the kind that will add performance, milk, and all around traits that are demanded in the beef industry. The bonus that you will receive comes when selling your Shorthorn sired calves and adding the great replacement females into your breeding program. There are a number of herd sire quality bulls that will be appreciated by many astute cattlemen.

If you have any questions please contact any of the consignors, or myself. If you are interested in adding these great genetics into your herd but are unable to attend the sale please contact any of the sale staff, livestock representatives or Don Savage Auctions and your order will be handled in a professional manner.

Yours truly,
 Don Savage

MAJESTIC SHORTHORNS - Tannor & Jennifer Diegel

We have one two year old on offer. He was a later calf so we decided to hold him over and let him grow a little longer. We are glad we did. He is a very moderate framed bull with a long spine a very nice muscle pattern. He is one of the smoothest traveling bulls that we have. He is sired by our 13A bull that has shown his longevity. He did spend the summer out on pasture but since we have brought him in this fall he has been constantly growing.

ANCHOR H SHORTHORNS - James & Heather Hockley

Carnage is an impressive Carnegie son who has a great deal to offer. He is extremely well balanced and smooth made out of a first calf heifer. His dam is an Ideal 57U daughter. You will admire his outcross pedigree that will work in many herds. With his shape, style and low birth weight he is a great heifer bull prospect.

Chester has produced us a great set of calves for 5 years. We have a full sister to this bull in our herd, and sold a full sister to Tom Barto at the 4's Company Sale. Eastwick is out of a cow we bought from Star P Shorthorns in Saskatchewan. She has raised some wonderful calves and is still producing.

**JT LIVESTOCK LTD. - John and Tammy Dolliver
& PINCH HILL CATTLE CO. - Chad Homer**

Bring the Heat is a rugged, stout made bull travelling on a sound set of feet and legs with that added eye appeal. He is the first full sibling of the 2015 CWA high selling lot Beat The Heat that we have offered for sale. Bring The Heat is backed by a powerful dam that is flawless in her design with a tremendous udder and structure. This is the main reason for the breeding success that his brother Beat The Heat has exhibited in his first calf crop including siring the 2017 Reserve National Champion Bull at Agribition. We expect nothing less from Bring The Heat. TH/PHA/DS FREE by Pedigree.

Offering

5 OPEN BUCKSKIN

SHORTHORN/CHAROLAIS HEIFERS

These buckskin ladies will make the ultimate cows. They combine the maternal instincts and docility of the Shorthorn along with the performance of a Charolais.

You will not be disappointed with these girls.

My Shorthorn/Charolais are all front pasture cows and wean my top calves every year.

5 OPEN RED

SHORTHORN X HEIFERS

The red heifers are equally as good.

They are out of Shorthorn /Charolais or Shorthorn/Simmental mama's so they are ¾ Shorthorn.

I never sell any of my replacements females.

The only reason I am parting with any of these heifers is because our commercial calf crop in 2017 was 70% heifers so I kept back more replacements than I usually do.

Offering

9 OPEN COMMERCIAL HEIFERS

3 R/W Roan 3 Blue Roan 3 Reds

They were all sired by Shorthorn bulls from Bartos. Dams for the red roans were purebred Hereford and the rest are commercial Angus dams. They were all born April 2017. They all have vaccines and Noromectin up to date.

Bull Breeding Guarantee

All guarantees are between the buyer and the seller.

All bulls offered and sold, except calves at side, are guaranteed breeders irrespective of age. All bulls after reaching the age of 15 months must be capable of settling 7 head or 75% of the eligible normal healthy breeding age females he is running with for a 90 day period, whichever is the lesser.

No guarantee regarding the freezing ability of a bulls semen is made or implied in the sale of a bull unless covered specifically in a written contract.

In the case of a complaint regarding a bulls breeding guarantee the buyer wishes to enforce the provisions of the Code shall report the same in writing to the seller enclosing a report prepared by a licensed veterinarian within 6 months of purchase or the time the bull reaches the age of 15 months whichever occurs later. The bull shall be returned to the seller at the buyer's expense. The seller may replace the bull with a bull of equal quality or refund the purchaser's price of the bull or he may attempt to prove the bull a breeder under the terms of this clause within 6 months. If the bull is proven to be a breeder within the 6 months provided he shall be returned by the seller to the buyer and the buyer's expense. If he is not proven to be a breeder then replacement or at the option of a seller a refund is mandatory. Under no circumstances will a seller be liable for more than the purchase price of the animal sold.
