Email: don@donsavageauctions.com

Welcome to the 2nd Cowman's Advantage Shorthorn Bull & Female Sale. Thank you to the progressive Alberta Shorthorn breeders for consigning to this their second association sponsored bull sale. It has been a privilege to witness the growth in the quality that the breeders are offering in just their second sale. There have been many contacts made to encourage the breeders to be involved and I thank Tom Barto for his assistance.

This offering of Shorthorn genetics will be very diverse, magnifying the great strengths of the Shorthorn breed.

The sale will be made up of top quality two year old bulls, yearling bulls and commercial open Shorthorn heifers. They are the kind that will add performance, milk, and all around traits that are demanded in the beef industry. The bonus that you will receive comes when selling your Shorthorn sired calves and adding the great replacement females into your breeding program. There are a number of herd sire quality bulls that will be appreciated by many astute cattlemen.

If you have any questions please contact any of the consignors, or myself. If you are interested in adding these great genetics into your herd but are unable to attend the sale please contact any of the sale staff, livestock representatives or Don Savage Auctions and your order will be handled in a professional manner.

Yours truly,
 Don Savage

Two Year Old Bulls

1 *Polled Red White* **ANCHOR H MASTER LINK 1C**

February 27, 2015 JKH 1C X-M479286

EIONMOR MASTERPIECE 4A -M477373

DOWNSVIEW MASTERPIECE 25X
EIONMOR ULTRA GAYLE 72U X

MATLOCK LISA 1X X-F687398

MATLOCK SHOTGUN 2S X
MATLOCK NL LISA 80T X

BW: 72 lbs.

ANCHOR H SHORTHORNS – James & Heather Hockley

Master Link 1C is a two-year-old Masterpiece 4A son out of the Lisa cow family. This bull has the durable genetics on both sides of his pedigree. Here is an easy keeping, moderate frame, well balanced bull. The makings of a great heifer bull with a low birth weight.

Lot 1

2 *Polled Roan* **ANCHOR H MASTER CODE 68C**

February 14, 2015 JKH 68C X-M479285

EIONMOR MASTERPIECE 4A -M477373

DOWNSVIEW MASTERPIECE 25X
EIONMOR ULTRA GAYLE 72U X-

MATLOCK RR TRINITY 68T X-F683827

FOUR POINT RED ROCK 20P X
MATLOCK POLLY 12P

BW: 92 lbs.

ANCHOR H SHORTHORNS – James & Heather Hockley

Master Code 68C is again another two-year-old Masterpiece 4A son who is a large framed bull out of the Trinity cow family. 68C is a rugged, deep, well balanced bull with good bone and feet beneath him. Master Code would be an asset to any herd – he speaks for himself.

Lot 2

3 *Polled Roan* **MAJESTIC COWPOKE 14C**

MAJESTIC LEDA'S RISING STAR

SIX S WRISTA 39W -F686489

SIX S RANGER 12R X
SIX S TRISTA 40T

BW: 105 lbs. Jan. 28/17 Wt: 1760 lbs.

MAJESTIC SHORTHORNS – Tannor & Jennifer Diegel

This two year old is the complete package. He has tremendous length, rib shape, and a nice smooth front shoulder. We used him on a small group of commercial heifer and cows last year. His smooth make up made us confident that he would be an easier calver. They are due to calve in the March so we will have results before sale day.

Lot 3

BW: 98 lbs. WW: 785 lbs. YW: 1180 lbs.

*JT LIVESTOCK LTD. - John & Tammy Dolliver
& PINCH HILL CATTLE CO. - Chad Homer*

The Daisy Fizz mating has yet to disappoint us. 504C's sisters have won banners at shows across the country with a maternal sister being reigning National Champion. 504C is flawless in motion, correct in his design and structure, while having that extra length of spine and extension thru his front third. We feel this bull will not only produce the show-ring kind but the type Commercial Breeders strive to produce.

5 *Polled Red* HH GRISSOM 1C

February 25, 2015 HDH 1C X*22332

CROOKED POST GRISSOM 24T X-M472821

BYLAND GOLD SPEAR X
CROOKED POST RED ROSE 11P X

YY BITTERROOT IRENE 225Z X-*20267

YY THE EARL OF DOVER 118U X
YY BITTERROOT AUGUSTA RUBY

BW: 87 lbs.

\$CEZ - 39.21 (Top 10%) \$BMI - 144.35 (Top 2%) \$F - 58.35 (Top 10%)

HH LIVESTOCK - Heather Haydock

In the Shorthorn breed it is important to not only place value on how an animal looks, but also the numbers. \$CEZ is related to calving ease. \$F is related to post weaning performance and \$BMI is related to the value of crossbred females. HH Grissom 1C ranks in the top 10% of the breed for \$CEZ, top 2% of breed for \$BMI and top 10% of the breed for \$F. This shows that Grissom is an easier calving bull whose progeny will grow well after weaning. Grissom 1C will also sire females that you will want to keep. Grissom 1C is an outcross bull for any purebred producer as his mother was imported from Y Lazy Y Shorthorns in Montana.

Lot 5

6 *Scurred Red* HH MINER 38C

June 6, 2015 HDH 38C X*22333

GLENFORD MINER 68Y X-M475902

GLENFORD MINER 16W X
GLENFORD GWENDA 28W X

YY BITTERROOT IRENE 189Y X-*19422

YY THE EARL OF DOVER 118U X
YY BITTERROOT AUGUSTA RUBY

BW: 92 lbs.

\$CEZ - 36.88 \$BMI - 148.4 \$F - 58.07

HH LIVESTOCK - Heather Haydock

At HH Livestock we calve in April and May that is why we pay attention to numbers. HH Miner 38C ranks in the top 15% of the breed for \$CEZ, top 2% of the breed for \$BMI and top 10% of the breed for \$F. HH Miner 38C is a scurred bull with balanced numbers that you can build a herd around. The dam of this bull is an outcross for Canadian purebred producers.

CROOKED POST SHORTHORNS - Kirk Seaborn

Yamburgan Tobermorey F90, Belmore Jackaroo Z109 and Bundaleer United Chief U21 - three Australian Super Sires that have played big roles in Crooked Post's program. Tobias 2C could represent the richest Australian Shorthorn genetics available in this country, he's bloody good!! Being her first calf, Crooked Post Minnie 5A weaned Tobias 2C off at 838 lbs. and turned around and weaned another 800 lb. bull in 2016. Scanning through his figures we quickly understand how dynamic he is, sorting himself to the top of the breed for calving ease, maternal power, carcass attributes, big growth and dollar value traits. Genomic Profile Tested.

Dam's Production Career: 2 calving seasons - 2 weaned calves and 367 days average calving interval.

Bull Breeding Guarantee

All guarantees are between the buyer and the seller.

All bulls offered and sold, except calves at side, are guaranteed breeders irrespective of age. All bulls after reaching the age of 15 months must be capable of settling 7 head or 75% of the eligible normal healthy breeding age females he is running with for a 90 day period, whichever is the lesser.

No guarantee regarding the freezing ability of a bull's semen is made or implied in the sale of a bull unless covered specifically in a written contract.

In the case of a complaint regarding a bull's breeding guarantee the buyer wishes to enforce the provisions of the Code shall report the same in writing to the seller enclosing a report prepared by a licensed veterinarian within 6 months of purchase or the time the bull reaches the age of 15 months whichever occurs later. The bull shall be returned to the seller at the buyer's expense. The seller may replace the bull with a bull of equal quality or refund the purchaser's price of the bull or he may attempt to prove the bull a breeder under the terms of this clause within 6 months. If the bull is proven to be a breeder within the 6 months provided he shall be returned by the seller to the buyer and the buyer's expense. If he is not proven to be a breeder then replacement or at the option of a seller a refund is mandatory. Under no circumstances will a seller be liable for more than the purchase price of the animal sold.
