### **Welcome to the Saskatoon Gelbvieh Bull and Female Sale.**

You are invited to join us in the celebration of our 11th Annual Sale. We would like to express our sincere thank you to all our customers for showing your confidence in our programs.

Record high commercial cattle prices are making it fun to own cattle again. We are very excited about the Gelbvieh bulls and females on offer. The bulls are a solid set of red and black, big and stout, soggy excellent footed ranch raised bulls. The females on offer are awesome; the high quality kind that you can build a herd around.

As a beef breeder, you understand the benefit of cross breeding. It is an awesome tool. You can gain pounds simply by adding a second breed to your breeding program. Our focus as breeders remains on making genetic selections that provide our commercial cow calf customers the opportunity to maximize their potential profits. Gelbvieh sired calves continue year after year to impress. The highest ADG and WPA pens of calves at Canadian Western Agribition Commercial show were Gelbvieh influence cattle. The highest averaging sales at the stockyards continue to be Gelbvieh influence sales. If that alone is not enough incentive, then remember how well the Gelbvieh cow works.

As a group our goals are the same. We want to offer you the best possible product that will make you the most amount of money with the least amount of trouble. The bulls are all semen tested and vet inspected for soundness.

We invite you to visit our ranches before the sale to view the bulls and their mothers. Also, the bulls can be viewed Thursday, March 24th, 2011, at Saskatoon Livestock Sales. Please also join us for our complimentary lunch prior to our sale.

Sincerely,  
The Saskatoon Gelbvieh Bull and Female Sale

### **AUCTIONEER AND SALE MANAGER'S WELCOME**

Welcome to the 11th Annual Saskatoon Gelbvieh Bull and Female Sale. I have had the pleasure of working with the excellent group of Gelbvieh breeders since the sale's inception. Even though some of the principal consignors have changed over the 11 year period all the people involved have always had the best interest of the sale and their customers foremost on their minds.

When you are dealing with the Davidson family, the Hrebeniuks or the Hickmans you can be rest assured that you will have the opportunity to buy some of the best Gelbvieh genetics in the Gelbvieh industry. They are always concerned with a quality sale offering and the benefits that their Gelbvieh cattle will offer both the commercial and purebred breeders alike.

You are welcome to visit their ranches to view the bulls before the sale. Be sure to visit [www.gelbviehworld.com](http://www.gelbviehworld.com) for more herd information or check the catalogue online at [www.donsavageauctions.com](http://www.donsavageauctions.com).

The sale cattle will be on display March 24th at Saskatoon Livestock Sales and you are welcome to view the cattle at this time.

If you are interested in purchasing bulls on March 25th but are unable to be with us sale day please contact me and your order will be handled in a professional manner.

Yours truly,  
Don Savage

# THE 11<sup>th</sup> ANNUAL SASKATOON GELBVIEWH BULL & FEMALE SALE

Friday, March 25, 2011 - 1:00 p.m.

at the Saskatoon Livestock Sales - Saskatoon, SK  
10 km west of Saskatoon on Highway #14 (towards Biggar) - Watch for the sign.

## GENERAL INFORMATION

**TERMS OF SALE:** Are cash or cheque at par, payable to the clerks of the Sale on sale day. U S funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. Full payment shall constitute a final sale and then registration papers will be transferred.

**HEALTH:** All Sale cattle meet the Canadian Health standards. Foreign buyers are responsible for knowing the current Health standards of their country.

**GUARANTEE:** All Sale cattle are guaranteed under the terms and conditions of Sale as recommended by the Canadian Gelbvieh Association.

**MAIL BIDS:** If you are unable to attend the Sale, but wish to make a purchase, please feel free to contact any of the Sales Staff or Don Savage Auctions and your order will be handled in a professional manner.

**INSURANCE:** Ownership commences to the purchaser as soon as the animal is sold. Insurance agents will be present sale day to look after your insurance requirements.

We would suggest you buy full mortality and fertility insurance for your new bull. A fertile bull can lose the ability to settle cattle therefore, good management of your breeding bulls over all health is very important especially throughout the breeding season. Our warranties do not cover bull injuries or sickness not apparent on sale day.

Although every precaution will be taken to protect the safety and comfort of the buyers neither Don Savage Auctions or the consignors assume any responsibility in these matters and disclaims any liability, legal or otherwise, in the event of an accident or loss of property.

### The Bull Buyers Finance Plan

82	782		104 22	1.1 35	44 29	73 16	19 13	41	-7.2 1	100 11	.2 09

X-Treme 2X is a powerhouse. This is the first bull, and only the second calf ever, for sale out of JBM 14N. If you are looking for a red heifer bull, with style, here he is! This incredible individual will fix any udder, add thickness, and sire the keeping kind. Longevity and consistency are key factors to profitability, and this guy will secure your bottom line.

Lot 3

## 3

### Double Polled Purebred Bull STON XPLOSIVE 5X

1/30/2010

This is the deepest bodied calf we have ever had the fortune to raise. His mother has never missed, and this calf is a prime example of why we use the term cow power. We have been impressed with this individual and how he has continually packed the pounds on. If you are in need of a sire to infuse more pounds, bet on 5X and he will take you to the pay window.

Lot 4

Once again, STON 7U has delivered! Unfortunately, we lost 7U after siring only one calf crop. This is the only bull calf out of 7U that we have for sale so make sure you are the lucky one who gets him. The other 2 bulls sired by 7U have already won the 2010 People's Choice Gelbvieh Bull Futurity at Farmfair International, and the other is staying home to sire the next generation. This black calf is a definite heifer bull, and perhaps the most stylish calf to sell this year. As well, 14X's mother is a flush mate to Freelance 6U, a sire of several other sale lots.

Lot 5

## 6 Double Polled Purebred Bull STON XTRA XTRA 18X

This is one of the last Humdinger calves you will have the option to buy. Thick, dark red, and great haired are all strengths this individual will be certain to pass along, and 18X has the genetics to improve any program. Xtra Xtra will sire calves that will provide the performance you need to be successful in the cattle industry today. We are excited about this calf, and we think you will be too!

You have to love it when a plan comes together. Xcelente 24X is a great opportunity if you are in the market for a heifer bull. Good haired and solid, consistent beef production is what 24X is all about. His mother has been a fertile machine and 24X will certainly pass along these profit making genetics to the next generation. We love his mother! Moderate, easy fleshing, perfect uddered "L" model cow, and her daughters are starting to outshine the factory.

92	927		99 19	4.5 33	55 25	93 13	19 09	47	-1.1 11	99 08	.5 06

This is one of the thickest bulls we have ever produced. Since day one, he has been a standout. Xceptional 26X will sire calves with a lot of growth, thickness and eye appeal. To top it off, you will love his daughters in production as he stems from one of the oldest, most consistent cow families in the Gelbvieh breed in Canada. His full brother was a high seller last year going to John Vandenberg.

89	542	838	104	2.6 I+	39	71	24	44	-1.1	103	.5

Davidson Red Robin is a dark red heifer that comes out of one of the best females in Wade's program. Red Robin has outstanding udder suspension. This lady will go on to be an outstanding foundation female. Her full brother was Wade's high selling bull in last years sale to H & S Farming, Airdrie, AB.

## Bull Breeding Guarantee

All guarantees are between the buyer and the seller.

All bulls offered and sold, except calves at side, are guaranteed breeders irrespective of age. All bulls after reaching the age of 15 months must be capable of settling 7 head or 75% of the eligible normal healthy breeding age females he is running with for a 90 day period, whichever is the lesser.

No guarantee regarding the freezing ability of a bull's semen is made or implied in the sale of a bull unless covered specifically in a written contract.

In the case of a complaint regarding a bull's breeding guarantee the buyer wishes to enforce the provisions of the Code shall report the same in writing to the seller enclosing a report prepared by a licensed veterinarian within 6 months of purchase or the time the bull reaches the age of 15 months whichever occurs later. The bull shall be returned to the seller at the buyer's expense. The seller may replace the bull with a bull of equal quality or refund the purchaser's price of the bull or he may attempt to prove the bull a breeder under the terms of this clause within 6 months. If the bull is proven to be a breeder within the 6 months provided he shall be returned by the seller to the buyer and the buyer's expense. If he is not proven to be a breeder then replacement or at the option of a seller a refund is mandatory. Under no circumstances will a seller be liable for more than the purchase price of the animal sold.
