**Welcome**

On behalf of everybody at Severtson Land and Cattle I would like to welcome you to our Top Cut Female Sale. We have not had a female sale since the fall of 2003 so we thought it was time. On offer will be 5 fancy heifer calves that will be halter broke. They would make great junior projects. Remember the 10% junior discount. There will also be the "top cut" of bred heifers and a group of young cows in the prime of their production.

We would like to welcome Wayne and Anne Wikkerink and family for their dispersal sale and the folks at Foursquare Gelbvieh. Be sure to join us on December 14 for lunch and refreshments.

Sincerely,  
Scott & Lisa Severtson and Family

**Welcome**

Welcome to Severtson Land & Cattle Cop Cut Female Sale with guest consignor Foursquare Gelbvieh and the herd dispersal for Pura Vida Farms. What an awesome sale offering. This group of females is definitely one of the best seed stock genetic basis in the Gelbvieh breed. Scott and Lisa have been breeding Gelbvieh for many years and they have the cow herd to back it up. These are the female genetics that allow Severtson Land & Cattle to have one of the top bull sales each and every year. The same cow herd has produced and will continue to produce a number of National Champions in both the bull and female divisions.

This year's sale includes the herd dispersal for Pura Vida Farms. The Wikkerinks started their herd with the best females they could find. These young females and their genetics are available on December 14. We are pleased to add Foursquare Gelbvieh into the sale with a good set of hand picked heifers that I am sure you will appreciate.

Times are changing in the beef industry. It really has not come too soon. The cattle that are being sold this fall will definitely appreciate in value as the beef industry is starting into it's upswing. Be prepared for what's about to happen.

If you have any questions please contact Scott, Wayne, Roger or myself. If you are interested in purchasing individuals but are unable to attend the sale on December 14 please contact Don Savage Auctions and your order will be handled in a professional manner.

Yours truly,  
Don Savage
