Welcome Gelbvieh Enthusiasts!

It is with great pleasure that we welcome you our 12TH ANNUAL V & V Farms and Guests Gelbvieh Bull and Female Sale. The Pahls and we are in the purebred cattle business to breed and supply the best possible genetics to the cattle industry. Hats off to our customers and friends for making our sales a success. Thank you.

We strive to raise functional bulls that will meet our customers' expectations; they need to work in both your program and ours. We continue to use top sires on a powerful female base, the kind of cattle that will flourish in our environment and yours. We have the largest herd in Canada of dark red Gelbvieh backed up by generations of dark red genetics. The dark red cattle are a desirable trait that has become well sought after by both purebred and commercial producers. Towerview Ranch compliments our program with their stout set of black bulls that are certainly worth your appraisal

The sale offering from V&V Farms and Towerview Ranch should have the widest genetic selection all in one location thanks to AI sires, exceptional walking bulls, and embryo transplants from some of the most elite dams in the industry. This sale offering will positively influence the beef industry seed stock producers and commercial cattlemen alike.

We at V & V still continue to have a strict herd health program. Bulls on offer will be semen tested as well as vaccinated for the prevention of foot rot. They have been on a grow ration of two thirds oats and one third barley which will add to their longevity.

Thank you to our loyal customers. We hope to see you for pre-sale lunch and visit with you following the sale.

Sincerely,

V & V Farms

Vern, Vivienne Pancoast & Family

Vern & Vivienne

The Pahls

Delivery: V & V Farms & Towerview Ranch
are offering free delivery after the sale.

Parentage verifying: All yearling sale cattle will be
parentage verified prior to the sale.

Welcome to the 12TH ANNUAL V & V Farms Gelbvieh Bull & Female Sale. This is an exciting time to be a cow-calf producer in this great industry. The cattlemen that had the courage and conviction to stick with this proven industry are now reaping the results. The fall calf run was awesome with cattlemen receiving excellent dollars for their calves. With the shortage of beef in the world we are sure to see excellent prices for many more years.

V & V Farms, Vern and Vivienne Pancoast, along with their neighbours and guest consignor, Towerview Ranch, Gary and Judy Pahl, continued to improve on the powerful foundation of their cow herds. There is a stout set of yearling bulls in this sale that carry some of the best genetics in the breed; the kind of genetics that will add value to both purebred and commercial breeding programs. V & V Farms had the honour of showing the Reserve Grand Champion Bull in Regina at the 2012 Canadian National Show. These two programs are on the leading edge.

All sale cattle are DNA parentage verified; all open heifers have been palpated and of course there will once again be free delivery after the sale.

If you have any questions about the cattle please contact the consignors or myself. If you are interested in purchasing bulls and females on March 15th, but are unable to be with us sale day, please contact me and your order will be handled in a professional manner.

Yours truly,
Don Savage

- V&V Farms will continue to donate to the Canadian Gelbvieh Association by giving the proceeds of a selected heifer to be announced from the auctioneer's stand on sale day.
- V&V Farms will also give 10% off any females purchased by a Junior Gelbvieh member.

Come early join us for a complimentary Prime Rib lunch at 11:30 a.m. sale day

General Information

Terms of Sale: Are cash or cheque at par, payable to the clerks of the Sale on sale day. U S funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. Full payment shall constitute a final sale and then registration papers will be transferred.

Health: All Sale cattle meet the Canadian Health standards. Foreign buyers are responsible for knowing the current Health standards of their country.

Guarantee: All Sale cattle are guaranteed under the terms and conditions of Sale as recommended by the Canadian Gelbvieh Association.

Mail Bids: If you are unable to attend the Sale, but wish to make a purchase, please feel free to contact any of the Sales Staff or Don Savage Auctions and your order will be handled in a professional manner.

Insurance: Ownership commences to the purchaser as soon as the animal is sold. Insurance agents will be present sale day to look after your insurance requirements.

Although every precaution will be taken to protect the safety and comfort of the buyers neither Don Savage Auctions or the consignors assume any responsibility in these matters and disclaims any liability, legal or otherwise, in the event of an accident or loss of property.

 garypahl@shockware.com www.towerviewranch.com

Towerview Ranch welcomes everyone to this spring's bull sale.

In our program we concentrate on raising top quality black Gelbvieh genetics. We raise our cattle to be sound, efficient and ranch ready. We stand behind our bulls without question. This year's sale offering includes individuals sired some of the best black bulls in the breed, Top Grid, COLB Mr Xavier, Tennessee Cat, TVR Weaver and Black Panther.

With the strong optimism in the cattle industry and top prices on the commercial market, it is time to add these new genetics in your herds. Our bulls can help you do that.

Thank you to our past and present customers and to Vern and Vivienne Pancoast for being great friends and neighbours, allowing us the opportunity to sell in their sale.

Final weights and scrotal measurements will be available sale day. Check the video of our bulls at www.towerviewranch.com.

Sincerely,
 The Pahl Family

Bull Breeding Guarantee

All guarantees are between the buyer and the seller.

All bulls offered and sold, except calves at side, are guaranteed breeders irrespective of age. All bulls after reaching the age of 15 months must be capable of settling 7 head or 75% of the eligible normal healthy breeding age females he is running with for a 90 day period, whichever is the lesser.

No guarantee regarding the freezing ability of a bull's semen is made or implied in the sale of a bull unless covered specifically in a written contract.

In the case of a complaint regarding a bull's breeding guarantee the buyer wishes to enforce the provisions of the Code shall report the same in writing to the seller enclosing a report prepared by a licensed veterinarian within 6 months of purchase or the time the bull reaches the age of 15 months whichever occurs later. The bull shall be returned to the seller at the buyer's expense. The seller may replace the bull with a bull of equal quality or refund the purchaser's price of the bull or he may attempt to prove the bull a breeder under the terms of this clause within 6 months. If the bull is proven to be a breeder within the 6 months provided he shall be returned by the seller to the buyer and the buyer's expense. If he is not proven to be a breeder then replacement or at the option of a seller a refund is mandatory. Under no circumstances will a seller be liable for more than the purchase price of the animal sold.
