FIRST
Bull Sale

FRIDAY, APRIL 2, 2010

7 pm at Sandero Ranch - Lac La Biche, Alberta

Willowcrest Limousin

Harvey & Donna Cadieux
Box 1352, Lac La Biche, AB T0A 0C0
Phone: 780/623-2468

Dear Limousin Friends,

Welcome to our first bull sale. This year marks our 21st year of raising Limousin cattle. The excitement of hosting our first bull sale has been as exhilarating as when we sold our first black Limousin in South Africa or selling the first black Limousins in the United Kingdom, a country where Limousin bulls out number all others. We have also been fortunate enough to top many major sales. But, what we truly enjoy the most is showing our bulls and cows to good cattlemen and visiting over a cup of coffee.

Well – the time has come to host our own bull sale and bring good friends together in one place; that place being the Bensen's awesome sale facility at Sandero Ranch. We feel we are offering a set of bulls that will work well in today's cattle industry. All the bulls will be semen tested and weights will be posted sale day. You are invited to view the bulls on the farm prior to the sale; all bulls will have our breeder guarantee.

Come early for food and refreshments.

Sincerely,
The Cadieux Family

Harvey & Donna

All guarantees are between the buyer and the seller.

All bulls offered and sold, except calves at side, are guaranteed breeders irrespective of age. All bulls after reaching the age of 15 months must be capable of settling 7 head or 75% of the eligible normal healthy breeding age females he is running with for a 90 day period, whichever is the lesser.

In the case of a complaint regarding a bull's breeding guarantee the buyer wishes to enforce the provisions of the Code shall report the same in writing to the seller enclosing a report prepared by a licensed veterinarian within 6 months of purchase or the time the bull reaches the age of 15 months whichever occurs later. The bull shall be returned to the seller at the buyer's expense. The seller may replace the bull with a bull of equal quality or refund the purchaser's price of the bull or he may attempt to prove the bull a breeder under the terms of this clause within 6 months. If the bull is proven to be a breeder within the 6 months provided he shall be returned by the seller to the buyer and the buyer's expense. If he is not proven to be a breeder then replacement or at the option of a seller a refund is mandatory. Under no circumstances will a seller be liable for more than the purchase price of the animal sold.

AUCTIONEER AND SALE MANAGER'S WELCOME

Welcome to the Willowcrest Limousin 1st Bull Sale at Lac La Biche. I have known Harvey and Donna Cadieux for a number of years and have always been impressed with the quality of Limousin cattle they raise. They are very committed to doing the best job possible because they know that the bulls they raise and sell into the beef industry will have a lasting effect.

Harvey and Donna have, and continue to use, some of the best sires in the Limousin breed. When they find a herd sire that will compliment their program and the genetics that will be beneficial to their customers they are not shy about adding him into the herd. They believe in raising cattle that have performance, calving ease, docility and strong maternal traits. The herd sires that are in their herd will definitely offer these essential traits.

Harvey and Donna have had many successes in the Limousin industry exporting genetics to other countries, selling sale topping individuals and of course a very strong bull selling business in their area. They have made the decision to host their own bull sale. You will not be disappointed but rather impressed with the quality on offer.

We hope to see you all on sale day. If however you are unable to attend please contact Harvey or myself and we can discuss the sale bulls with you. Your order will be handled in a confidential and professional manner.

Yours truly,
Don Savage
