AUCTIONEER & SALE MANAGERS WELCOME

Welcome to the 2011 Wish List Sale sponsored by the Gelbvieh Association of Alberta/BC. If you are looking for those extra special genetics combined with outstanding quality the Wish List offering is sure to have the answer.

I have selected the right kind of cattle from the top end of some of the best Gelbvieh breeders in the industry. This event will set the pace and grab the enthusiasm of the Gelbvieh industry. Selling again this year will be: pick of the 2012 heifer calf crop; an awesome set of bred heifers that are keepers in their respective herds; a fantastic group of calendar year heifer calves and planned mating embryos from a former National Champion Female.

After a great harvest in Alberta and record setting cattle markets you will be able to enjoy the opportunity to visit old friends and make new acquaintances at the brand new Ponoka Ag Event Centre. There has not been a better time to be in the cattle industry with under heard of prices in the commercial market. It is the success of the commercial industry that makes the seed-stock industry tick. This is your opportunity to make the most of your buying opportunities this fall.

If you are unable to attend the Sale, but wish to make a purchase, please feel free to contact any of the sales staff or Don Savage Auctions and your order will be handled in a professional manner.

Sincerely,
Don Savage

Consignor: Dane Ranch - Tatla Lake, BC

COX Rakisha 24Y is a 75% cherry red polled Balancer female that has brood cow written all over her; she is a very deep sided heifer with loads of performance that will catch a lot of attention on sale day. She is sired by VV What a Tizzy 63W, the high selling bull at the VV Farms 2010 Bull Sale for \$8000. 63W is sired by JCGR Bar GT Louie and out of the great donor cow GCC Red Sugar 59K. What a Tizzy has sired an awesome first set of calves in our program this year and all of the calendar year calves in our show string are sired by him. Sugar and Spice's dam is a moderate black female with an excellent udder that always out produces herself. We retained her 2010 bull calf for use in our own program to breed to Balancer females and we will be showing COX 24Y alongside her dam at Farmfair.

4 EMBRYOS - 2 GUARANTEED PREGNANCIES

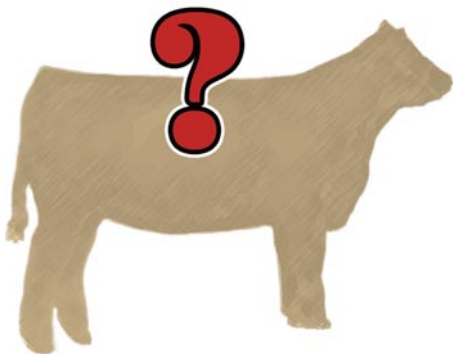

AR Julie 14J - Dam of Lot 36 Embryos

Consignor: Aaron Birch - Lomond, AB

What an opportunity to capitalize on some of the most proven genetics in the Gelbvieh breed. Julie and her progeny have excelled in both the show and sale ring. She was named Canadian National Champion Female in 2002 with her powerful heifer calf along side. She was then sold as the high seller at Anchor Ridge's production sale for nearly \$10,000. The calf she was carrying, DF PROFIT 5P, brought \$13,000 for Drader Farms. Since then she has produces many tremendous individuals. She is still very youthful and sound at 12 years of age. We chose to flush this deep easy fleshing cherry red female to the Denver Senior Champion AI sire Fully Exposed. He has been producing some exceptional progeny in both Canada and the US including the \$30,000 record setting heifer calf FRL FIR RIVER ZAHARA 5U. These embryos will be siblings to high sellers and show stoppers with a pedigree that is well proven. Selling 4 embryos with 2 guaranteed pregnancies.

~ Donation Heifer ~

Donation Heifer
CHOICE

Consignor: The Nesses - Airdrie, AB
