Selling SLC Customer Commercial Heifers

Gelbvieh x Angus Heifers out of Severtson sired bulls. They will be selling in groups of 5 heifers

Welcome....

On behalf of everybody at Severtson Land and Cattle I would like to welcome you to our 18th Annual Bull Sale. What a different a year makes. There is new found optimism in the cow/calf sector that we have not seen for years. Please feel to stop by and view the bulls anytime prior to the sale. This year all of our bulls are coming two year olds. We feel the older bulls will service more cows and stand up better for our customers. They have been developed at home again this year and have been grown out slowly on grass and a very high forage ration. We are pleased to be working with Greg Schierman and Sunberry Ranch again this year, and welcome Mike and Roberta Chambers this year with the strong set of Simmental yearlings. There will be EPD's, performance data and Scrotal measurements on the bulls available sale day. There will also be a few groups of heifers from our bull customers. We look forward to seeing you on sale day.
